It is our great pleasure to invite you to participate in the **7th Montessori Asia Conference Hong Kong 2017** (MACHK 2017). The Conference will be held at **The Education University of Hong Kong (EdUHK) on 20<sup>th</sup> – 22<sup>nd</sup> May 2017**. The Conference is being collaboratively organized by: Department of Early Childhood Education (EdUHK), Association of Childhood Education International – Hong Kong & Macau (ACEI-HK&M), Montessori Asia (MA) and Hong Kong Montessori Research and Development Association (HKMRDA).

The theme of the conference is "**Montessori Cosmic Education**". Speakers and participants from around the world will gather in order to:

- Examine Montessori philosophy and education;
- Inspire innovative ideas;
- Share and extend best practices.

We will create the opportunity to re-consider a life style and ways of being that are underpinned by Montessori philosophy and education. We will also share recent and innovative Montessori education and practices that have been developed throughout Asia. Finally, we will look to the future in order to consider how we might extend further the impact of Montessori on both children and adults.

You are cordially invited to share your experiences, research findings, best practices, innovations and visions concerning the field of Montessori childhood education, either as participants or presenters.

We are pleased to announce that the official website has been successfully launched: <http://montessoriasia.hk>. Information for proposal submissions can now be found on the website. Further information for conference registration and programming will be announced on the website in Autumn 2016.

Should you have any inquiries, please do not hesitate to contact us by email [info@hkmrda.org](mailto:info@hkmrda.org) or by phone (852) 3589 6366.

We look forward to your participation as we bring together experiences from all over the world!
